

OGV

OPS

what is OPS ?

Outgoing Preparation Seminar is an event held for EPs (Exchange Participants) before going on Global Volunteer to prevent any problems to occur during their exchange program. This event is also to make sure that the EPs are comfortable during their exchange program. Another purpose of this seminar is to maximize the quality of experience the EPs get, and the impact and value of their AIESEC exchange.

insurance

<https://www.lusha.com/company-search/insurance/105/morocco/91/>

visa

we just need her passport and we will apply for her and send her a payment link

flight tickets

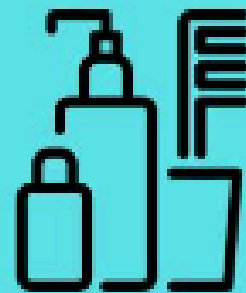

accommodation

so about the accommodation we have an apartment but im trying to take the accommodation in the university itself

things to take with you

Medicine (if needed)

Toiletries
