### Hello there!

Congratulations! It's finally happening!! You are now officially approved as an Exchange Participant in Kocaeli,turkey , from **AIESEC IN TANGIER** 🎉!

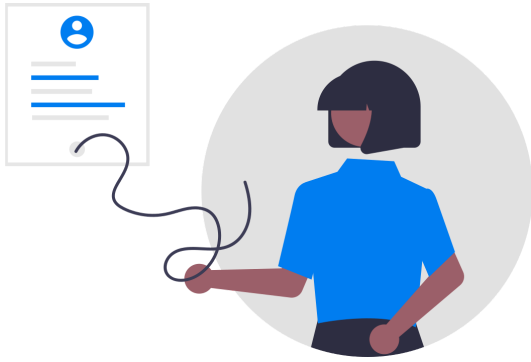

We are proud of you for making it this far!

---

### What happens now?

1. It is time to start preparing yourself for your upcoming experience!  
KOCAELI,**TURKEY** will be supporting you with an Acceptance Letter and an Invitation Letter, as these are essential elements for VISA procedure.

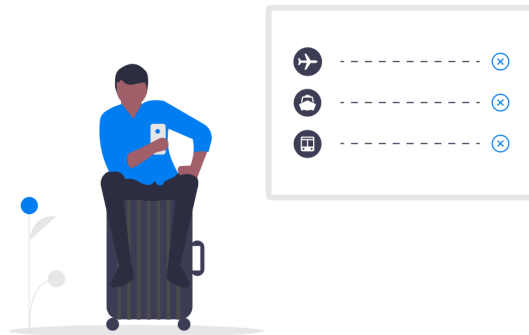

**2. Stay in contact with your Experience Manager from AIESEC IN HOME and the one from AIESEC IN HOST LC]], to be updated about the overall progress of the process and to have an idea about the things to be done next. and make sure to start preparing for your health insurance !**

you must know about an official document named AIESEC Exchange Program Policies that you should read as an Exchange participant to understand and acknowledge your rights, obligations, and responsibilities before, during and after the AIESEC Exchange and more other things.

N.B : Click below on AEPP to read it

**4. Make sure you do some research about your destination and prepare some things to bring with you there.**

Thank you for your interest in AIESEC. We are honored to be a part of your journey and will be there for you every step of the way.

Let the adventure begin!
